### Description

The Connecticut International Auto Show is gearing up for another great year at the Connecticut Convention Center! The newest 2014 models will be on display, including the latest in fuel-efficient options and new technologies. It's a convenient way to compare prices and features, saving both time and money. There are cars to suit every budget and lifestyle, as well as entertainment and specialty vehicles. There's even a chance to get behind the wheel at the show, thanks to the Cadillac Ride and Drive. Go back in time with some amazing vintage cars, and bring the entire family to enjoy other special features like a Kids Stop Pit Stop with gaming fun, a crushed car contest, and tons of great prizes to be given away including gas for life. Cadillac is also sponsoring Friday's "Heels & Wheels" Night! From 5-8PM ladies receive a \$2 discount on admission, and if they bring gently worn shoes to be donated to Goodwill they will receive a special Cadillac drink and souvenir. The Auto Show is great entertainment for serious shoppers, car buffs and the entire family!
